# WELCOME TO OUR FESTIVE CELEBRATION

Dear Guests & Friends,

As we reach the final chapter of the year, it is my pleasure to invite you to celebrate the season of joy at Pullman Bangkok Hotel G under the radiant theme of **Sustainable Sparkles**. This year, our festivities are not only about glamour and celebration but also about responsibility. Reminding us all that the brightest sparkle is one that shines with care for our planet and our community.

From the breathtaking **Skyline Countdown at Ballroom 38**, where the city skyline becomes your backdrop to new beginnings, to the vibrant **Midnight à la Vegas** at Scarlett Bangkok, our celebrations are designed to dazzle while embracing mindful touches. Each experience is crafted to let you revel in the moment, while still keeping sustainability at heart.

Our culinary artistry also shines this festive season. Discover the **festive gift boxes from TIVA Bangkok**, perfect for thoughtful giving, and the **special boxset collaboration with TU!! illustrator**

**at 25 Degrees**, a true blend of creativity and taste. Every detail is a reflection of our passion for art, gastronomy, and innovation. And because the spirit of the season is about sharing, we are proud to launch our limited-edition festive postcards and cookies created with love and dedicated to supporting the **Good Shepherd Sisters, Bangkok**. By celebrating with us, you also join us in giving back, helping to bring warmth and hope to those in need.

At Pullman Bangkok Hotel G, we believe the holidays are more than just an occasion. They are a chance to celebrate responsibly, connect deeply, and create memories that will sparkle long into the future.

With heartfelt wishes for a joyful festive season,  
**Pierre Betourne, General Manager**  
and your Pullman Bangkok Hotel G family

## SUSTAINABLE SPARKLES

# A SEASON THAT SHINES

### WITH PURPOSE

At the heart of our festive décor stands **The Wishing Tree**, a Christmas tree unlike any other. Adorned with recycled ornaments crafted from bottle caps, cans, and other upcycled materials, it serves as a radiant reminder that beauty can be created with care for the planet. Guests are invited to write their heartfelt wishes on recycled cans and hang them upon the tree, transforming it into a shimmering symbol of hope, dreams, and togetherness.

From mindful celebrations to meaningful contributions, every sparkle this season carries a purpose. At Pullman Bangkok Hotel G, we believe sustainability and celebration can truly shine side by side and making this festive season brighter for everyone.
